Dear Ms Stacey,

Please find enclosed a Certificate of Thanks from Trident for your invaluable support in taking young people on work experience placements.

For the students, it can enhance their knowledge and understanding of the world of work. For Employers, it can provide the opportunity to help students develop an insight into the skills and attitudes required by business, and to raise awareness of career opportunities.

Trident looks forward to your continued and valuable support in the future.

Yours sincerely

Liz Jackson
Regional Director, South East
Trident from Edexcel
