

Nursery Carer of the Year

It is with great pride we can announce that Hayley our Baby Room Co-ordinator, was nominated for a childcare award - and has won the UK South Central area !!

The award is for 'Nursery Carer of the Year' and is run yearly by the NDNA - National Day Nurseries Association. Nursery carers are nominated for their outstanding care, hard-work and dedication to children.

Hayley has now been entered to the national final and will be vying against 11 other regional winners for the National Award, which will be announced at the NDNA Annual Awards on 5 June.

Big Big Congratulations to Hayley and thanks to everybody who nominated her.

Attached you will find a nomination form for other award categories in the 4Children National Childcare Awards, if you feel anybody else at the Nursery deserves some mark of credit.

Once again well done Hayley and we look forward to seeing her on the podium receiving the National Award !!!!!

Claire and Dawn
